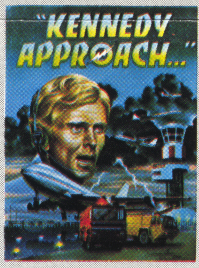
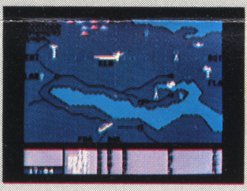
F-15 Strike Eagle

Strap in your ejection seat and get ready for modern jet fighter combat with F-15 Strike Eagle!! F-15 features superb Three-Dimensional graphics, F-15 maneuverability, computer assisted targeting including a modern fighter HUD (Heads Up Display), airborne radar, air to air missiles, surface to air missile defense, ground target bombing, full aerobatics, and multiple combat scenarios. F-15 will thrill and challenge you and give you the chance to prove you have the "Right Stuff" of an EAGLE fighter pilot!!





New Speech Product
C-64 Andy Hollis

Kennedy Approach

See, Feel and Hear all the action! Kennedy approach is the FIRST simulation to include realistic high-quality speech right from your computer. You control the action in the skies of our busiest airports; twenty different aircraft could be calling you at the same time and may be vying for the same runway! You will hear both their radio calls and your broadcast messages in high quality speech! All commands can be given using the joystick. This simulation is immediately playable and enjoyable! Bad weather, inflight emergencies, instrument failures, and all the other flight variables provide an ever changing environment. **Are You Ready To Take Control . . . You'll Be Glad When This Shift Is Over!!!**

Air Rescue I

Zip up your flying suit and strap yourself into your sleek assault chopper, **Air Rescue I!** Search out and rescue the captives trapped inside the treacherous underground labyrinths. Danger approaches from all sides as defenders fire winged missiles and sparkling energy bursts at your fragile craft. And just when you think the path is clear, a swift patrol craft appears from behind a ledge, spitting missiles, as you scramble for firing position! **Air Rescue I** features multiple full scrolling scenarios, four skill levels and competition in solo or team cooperative modes for 1 to 8 players. Immerse yourself in the non-stop excitement of **Air Rescue I.** You'll keep coming back for more!!!

Great Software = Great Reviews!

Not only do we think we have great software, but so do a lot of other people including our satisfied customers and software reviewers! Please note these outstanding comments!

ANALOG
F-15 Strike Eagle—"Don't wait. Run down to your local software merchant and buy a copy of F-15 Strike Eagle today. Tomorrow may be too late!"
—**Patrick J. Kelley**

ELECTRONIC GAMES
MIG ALLEY ACE —
"Nominated Best Multiplayer Game"

RUN
"Don't buy Solo Flight unless you're prepared to stay at the controls for at least a week. It has so many aspects that complete mastery may take months. It's an excellent buy for $34.95 for both inexperienced and old pro keyboard flyers alike."

COMPUTER GAMING WORLD
"NATO COMMANDER combines the map, scrolling and unit symbols of EASTERN FRONT with the realistic game system of Combat Leader to obtain superb strategic simulation."
—**Mark Bausman**
